

WINTER READING PROGRAM

January 16-February 13

What better way to escape the cold winter days than by snuggling up with a warm drink and a good book? You can also win some great prizes from the Library! Our Winter Reading Program is for children, teens and adults and no registration is necessary! So, visit us today and find a cozy place to “SNUGGLE UP WITH A GOOD BOOK!”

Children (birth through 6th grade)

Snuggle up with a good book in the Children’s Department! Each week we’ll have something fun going on—like a chance to spin our prize wheel and get a cool prize, or a coloring sheet that doubles as a raffle entry. No registration necessary—just check out items from our Children’s Department and visit our public service desk to receive tickets for the chance to win prizes. The more items you check out, the more tickets you get! Please call the Children’s Department at 630.483.4923 with any questions.

Teens (7th grade through 12th grade)

Read just one book from the Young Adults Department to be entered into a drawing for one of our four gift baskets! Additional books can be read for more tickets. Books being read for school count too! For more information, please call the YA desk at 630.483.4928.

Adults (ages 18 & up)

Read any genre, fiction or nonfiction, or listen to audiobooks/eBooks and you will get a raffle ticket for each book read for the chance to win one of four fabulous themed gift baskets! Upon completion of a book, stop by the Readers’ Advisory desk, now located on the lower level of the library, and submit your book. Please call 630.483.4925 for more information.

Sonya Crawshaw Branch Library
